internet health report

*Let's document and explain what's  
happening to the health of the Internet.*

# We're opening up a whole new Internet.

Using the web as the platform, we build open, innovative technologies that allow developers to work free of closed, corporate ecosystems and create faster, safer web experiences for us all.

# Internet Health

Privacy & Security  
Openness  
Decentralization

Digital Inclusion  
Web Literacy

LET'S  
ELIMINATE  
CHOICE

LET'S  
INVADe  
PRIVACY

LET'S SUPPORT  
MONOPOLIES

Actually,  
let's not.

Fight for a healthy Internet.
